Dear Friend of Partners for Progress,

Every day, your support helps create moments of growth, connection, and possibility.

For individuals facing physical, mental, and emotional challenges, Partners for Progress is more than a program. It is a place where participants can build strength, confidence, independence, and meaningful connections through the partnership between people and horses.

Each experience is made possible by skilled staff, dedicated therapy horses, specialized care, and resources tailored to each participant's goals. Because program fees cover only a portion of the true cost of these services, your support is essential to keeping this work accessible and strong.

Your year-end gift helps sustain the daily operations behind every participant experience, including individualized programming, horse care and training, experienced staff, and the resources needed to provide safe, high-quality services throughout the year.

At the same time, Our Dream, Our Home, Our Future is creating a permanent home for Partners for Progress. The capital campaign is building the future of our organization.

With all of this in mind, please know that your year-end annual gift is more critical than ever to ensuring that our programs and daily operations continue without interruption while that future takes shape. We hope you will renew, or consider increasing, your annual donation at this important time. We ask that you review the levels of support included with this letter.

Please also find enclosed a response form for your use.

Both efforts are essential. Your annual support makes it possible to serve participants and families today. Capital support ensures Partners for Progress will have the best possible facility for the years ahead.

Please consider making a meaningful year-end gift. Your support helps care for our horses, strengthen our programs, and support our team. **But most importantly, you help us to ensure participants continue to learn, grow, and reach their fullest potential.**

Thank you for believing in this mission and for standing with our participants, families, staff, volunteers, and horses.

With heartfelt gratitude,

Diane Helgeland

Every Step Forward Starts with You

A year-end gift to Partners for Progress NFP helps create opportunities for participants to build confidence, strengthen independence, and experience meaningful connection through therapeutic horsemanship.

Choose Your Impact

$250 | Pathway Builder - Gifts at this level can help strengthen programming and create meaningful opportunities for participants to work toward their individual goals.

$500 | Saddle Circle - Gifts at this level can help support the many resources behind a safe, engaging, and impactful experience for participants and horses.

$1,000 | Champion of Possibility - Gifts at this level can help strengthen the people, programs, horses, and resources that allow Partners for Progress NFP to create lasting impact.

Leadership Giving

Leadership gifts of $2,500, $5,000, and above can provide meaningful support for the horses, facilities, specialized equipment, programming, and capacity that help Partners for Progress NFP fulfill its mission.

Every Gift Moves the Mission Forward

No matter the level, your generosity strengthens the work of Partners for Progress NFP and helps create opportunities for participants and horses to thrive together.
