

## Partners For Progress Family Summerfest Event

**Oh, those lazy, hazy last days of summer. Do you remember? Family, friends, and celebrations.** Fun fairs. 25 cent games. Watermelon on your face. Dancing in the sun. The smell of food everywhere. Those days are so magical, especially for a child. Everyone waits for those last few weekends of summer with unbelievable anticipation. Experience it all again with us!

Partners For Progress will be holding their Family Summerfest Event on Sunday, August 28, 2011, at the Lake County Fairgrounds in Grayslake. This is the day that all of our riders look forward to! A day of summer fun filled with games, raffles, an old fashioned cakewalk, music, a petting zoo, face painting, and wonderful summer food.

More importantly, **it is the day when the family and friends of our riders come together with the community to share the riding skills that they have mastered.** These skills are allowing them to become more confident individuals with improved physical and mental capabilities. With this comes a more complete integration for them in their schools and communities.

Community Partners are the key to making this anticipated family summer event bigger and better than ever. This can become the most talked about and anticipated summer event with your help!

Here are just a few ways - -

1. **Become a Community Partner** by completing and returning the attached Sponsorship Form today.
2. **Donate your time as a volunteer** to organize and work one of our "side shows"!
3. **Grab your sunscreen and join us** with your family and friends by calling 847-226-1300 for tickets. It is sure to be a day to remember!

Your support of this event helps someone like Christopher, who came to Partners For Progress seven months ago at the age of 3. When Christopher started riding he was very unregulated, quiet, and often off in his own world. He struggled to stay engaged in any task and was not making much progress in his other therapies. At first he was afraid of being on the horse but everyone encouraged his family to keep riding. Within a few weeks, there was a noticeable change. No longer afraid, he smiles and runs into the barn, and is getting stronger with each session. Your contribution makes his progress possible!

Thank you for supporting Partners For Progress. We continue to look forward to being an important part of your community!

### *2011 Family Summer Celebration Event*
