

Welcome to PFP!

About Us

PFP aims to improve the quality of life for individuals with different abilities through innovative equine-assisted programs, focusing on therapy, education, and sport.

Opening our doors in 2005, PFP services about 1,312 hours every month; per year, that's 15,744 hours we spend helping clients from Northeastern Illinois and Southeastern Wisconsin reach their goals. Our programs are designed to maximize personal potential, welfare, and self-achievement, supported by a 79% success rate in goal achievement over 18 years of documented outcomes. PFP provides the highest quality of care, standing behind our 3Q service delivery: Quality Horse, Quality Program, Quality Life.

Things to Remember

Please aim to be at the barn 10-15 minutes earlier than your start time.

Park on the far side of the parking lot, as parking spaces close to the center entrance provide easier access for our clients. Always drive 5 MPH or under when pulling in.

Record your name, start time & end time on the sign-in sheet in the lobby. It is located on the table to the right as you walk in.

NOTE: If your name is not printed on the list, simply write it at the bottom. This happens if we print the schedule sooner than we've added you as a volunteer!

Refer to the white board next to the entrance of the arena for your assigned position/s for the day. If your name is not on the whiteboard, please find a staff member as not all positions are outlined on the board.

Have fun, smile, and enjoy! We sincerely appreciate you as a member of our dedicated team.

Absent Policies

Please give at least 24 hours' notice if you're unable to honor your commitment. Email the volunteer email and text Jamie, Shea, or Mandy H. ASAP so we can find a replacement. Their phone numbers are on the back of this pamphlet. If you don't contact us, it's considered a "no show." After 3 "no-shows," we will have to excuse you from the program.

If you are going to be out of town or know you'll be unable to honor your regular scheduled volunteer time in advance, please record it ASAP in the blue binder next to the sign-in sheet. This is a calendar we use to make the schedule.
