

Hoedown Fundraiser Sponsorship

What if the simple act of riding a horse could unlock potential, spark joy, and transform lives? At Partners for Progress (PFP), this is not just a possibility—it's our reality every single day.

For over 20 years, PFP has been a beacon of hope, empowering individuals with physical, emotional, and cognitive challenges through equine-assisted therapy. With the help of our dedicated therapists, volunteers, and of course, our incredible therapy horses, we've helped people achieve milestones once thought impossible—taking their first steps, building confidence, finding their voices, and developing skills that last a lifetime.

In honor of this remarkable journey and mission, we're excited to announce our favorite event of the year: The Hoedown Fundraiser, taking place on Saturday, September 6, 2025, at our Wauconda facility. This event is not just a fundraiser; it's a celebration of the lives we've touched and the community that has made it all possible.

As we prepare for this extraordinary event, we're inviting you to join us as a sponsor. Your support is vital—it enables us to continue offering life-changing therapies, scholarships for participants, and the high standard of care our equine partners deserve. Because of you, Partners for Progress services about 1,312 hours every month; per year, that's 15,744 hours we spend helping clients reach their goals. Our programs are designed to maximize personal potential, welfare, and self-achievement, supported by a 79% success rate in goal achievement over 18 years of documented outcomes. With your help, we can expand our impact and reach even more families who depend on us.

Sponsoring The Hoedown is more than a charitable contribution—it's an investment in your community. It's about giving a child the tools to thrive in school, helping a veteran regain independence, or supporting a young adult as they learn skills for employment. With several sponsorship levels available, we offer meaningful ways to recognize your contribution, from event tickets and on-site recognition to visibility in our promotional materials.

But most importantly, your sponsorship ensures that PFP's mission continues to thrive. It's a partnership that changes lives—and we can't do it without you.

We would be honored to have you join us as we commemorate over 20 years of progress, perseverance, and partnership. Together, we can create a future full of possibilities for those who need us most.

Thank you for considering this opportunity to make a difference.

Here's to 20 years of impact—and many more to come.

Partners for Progress
