

Sponsorship Program

At Partners for Progress, we believe in the life-changing power of equine therapy. To continue providing these transformative services, we need your help!

Our greatest need for your financial support is with our Horse Care Sponsorships. Your sponsorship will directly support the ongoing care of our horses and the growth of our programs, ensuring that we can continue to serve over 250 clients each year. Every contribution, no matter the size, makes a huge difference.

-Sponsor/Adopt a Horse-

Horse Care & Adoption

Our therapy horses are the heart of our program. Ensuring their well-being is one of our top priorities, and the costs of their care are the majority of our finances. From dewormers and hay to water buckets and bridles, we require specialized equipment for each rider's unique needs. Your sponsorship helps us provide the best possible care for these amazing animals.

Want to take your support even further? You can "adopt" one of our horses by sponsoring their care! You'll play a vital role in keeping them healthy and happy, and you'll have the opportunity to build a connection with the horse that's at the core of our riders' successes. By becoming a sponsor, you're not just supporting a horse - you're supporting a child on their journey toward independence, confidence, and a brighter future.

Sponsorship Levels

To keep our horses healthy, well cared for, and ready to work with our riders, we offer several sponsorship tiers. Each level of support is tax-deductible and goes directly to our equine care fund, covering costs such as feed, veterinary care, stable management, and more.

Program Development & Sustainability

Your support helps us continue offering high-quality, effective programs for our riders. This funding ensures that we can upgrade essential equipment and tools for our therapy sessions, maintain the highest standards, and provide cutting-edge care to our clients.

Partners for Progress is fully funded by the generosity of donors like you. Your support helps us keep the lights on, maintain our facility, and host events that bring our community together. This upcoming year will be the most impactful yet, with plans for a complete renovation and further development of our facility. With your help, we can ensure that PFP remains a vital resource for the children and families who rely on our services. Your contribution to our Sustainability ensures that PFP will continue to provide life-changing therapy for years to come.

Thank you for being part of this life-changing mission!
