

# Family Fest Sponsorship Form

## What is an Event Sponsorship?

An event sponsorship is a special opportunity for community members, businesses, or groups to play a leading role in supporting Partners for Progress by funding a specific event. As an event sponsor, your generosity directly impacts the success of our fundraisers, such as our annual Hoedown or Family Fest, helping us cover essential costs like venue setup, entertainment, food, and activities for our guests. Sponsorships also allow us to channel more resources directly into our equine therapy programs, making a lasting difference for people with special needs. Plus, sponsors are celebrated for their support, giving them a unique connection to our mission and visibility in the community.
