

# Naming the Impact

## Our Dream, Our Home, Our Future

### Equestrian Center - \$2,000,000

- **A forever home, a foundation for growth.** Owning our land establishes a permanent, purpose-built environment that ensures stability, expansion, and long-term access to consistent therapeutic programming that supports measurable growth and independence.
- **More than just an equine center; it's a place for the whole community.** This centralized space integrates equine-assisted services with holistic wellness, fostering connection, confidence, and a strong sense of belonging for riders, families, and the broader community.
- **We are industry leaders, building a first-of-its-kind center.** This facility will set a new standard in innovative, evidence-informed equine-assisted therapy, elevating both program quality and accessibility.

### Covered Outdoor Arena – \$1,000,000

- **More horses, more riders, more possibilities.** Expanding program capacity by 30% allows us to serve more individuals while maintaining individualized, high-quality therapeutic experiences.
- **Weather-proofing progress.** A protected environment ensures uninterrupted, year-round access to therapy, supporting consistency of care and continued goal progression.
- **Horses thrive when they have space to move.** This arena enhances equine well-being while creating a regulated, focused setting that supports engagement, safety, and our 3Q philosophy: Quality Horses, Quality Programs, Quality of Life.

### Community Engagement Center – \$1,000,000

- **A safe, sensory-friendly space for riders and families.** Designed to support comfort, emotional regulation, and a sense of belonging before and after sessions.
- **A flexible space for learning, collaboration, and growth.** Hosting workshops, trainings, and community programming that expand knowledge and connection.
- **An inclusive hub for engagement and connection.** Encouraging interaction between neurodiverse and neurotypical individuals to build empathy, confidence, and social development.
- **A center for community impact.** Supporting first responder training, educator collaboration, and expanded outreach that extends our mission beyond the barn.

### **Indoor Arena – \$500,000**

- **The heart of PFP, reimagined.** A fully accessible, thoughtfully designed space that supports comfort, dignity, and excellence in every session.
- **Built for progress.** Enhanced mounting systems provide safer, smoother, and more empowering transitions into therapeutic riding.
- **Equine care at its best.** Advanced footing and maintenance systems support horse health, safety, and long-term program sustainability.

### **Lobby & Family Viewing Area – \$500,000**

- **A place to belong.** A warm, welcoming environment where families can feel connected, supported, and at home.
- **A hub of productivity and community.** Designed to meet diverse needs, from quiet workspaces to shared family moments.
- **Designed for togetherness.** Strengthening relationships between families, staff, and supporters while deepening connection to the therapeutic journey.

### **Sensory Trail & Horticultural Garden – \$500,000**

- **Nature heals.** A thoughtfully designed environment that supports sensory integration, emotional regulation, and mindfulness.
- **A sanctuary for all.** Offering alternative therapeutic pathways for clients, siblings, and caregivers to engage and decompress.
- **A space for restoration and exploration.** Encouraging independence, connection to nature, and holistic well-being.

### **Car Port & Drive-Through Entrance – \$250,000**

- **A smooth, stress-free arrival.** Creating a predictable and calming transition into therapy that reduces anxiety and sensory overload.
- **Accessibility without barriers.** Ensuring safe, efficient entry for individuals with mobility challenges and diverse needs.

### **Small Animal Barn – \$250,000**

- **More than horses.** Expanding therapeutic opportunities through diverse animal interactions that support engagement and emotional connection.
- **Building confidence, one interaction at a time.** Encouraging responsibility, independence, and skill development through hands-on care.
- **Bridging environments.** Connecting equine, horticultural, and life skills programming into a cohesive therapeutic experience.

## Hay Barn - \$250,000

- **Safety at the forefront.** Reducing fire risk and improving overall facility safety through dedicated hay storage.
- **Healthier air, healthier outcomes.** Minimizing dust and airborne particles to support respiratory health for both horses and humans.
- **Better care through better storage.** Improving ventilation and hay quality to ensure consistent nutrition and equine wellness.
- **A sustainable investment.** Supporting long-term operational efficiency and reduced risk across the facility.

## Therapy Gym – \$250,000

- **Healing, in all its forms.** A dedicated space for physical, occupational, and therapeutic interventions that complement equine programming.
- **Seamlessly integrated care.** Allowing for smooth transitions between mounted and unmounted therapy to support continuity of care.
- **Enhancing our mission.** Expanding our ability to meet diverse developmental and therapeutic goals.

## Therapeutic Environment Spaces – \$250,000

- **A space for focused care.** Designed to provide private, low-stimulation environments where individualized therapeutic interventions can take place with greater attention, effectiveness, and intention.
- **Supporting regulation and responsiveness.** These spaces allow clients to step away, reset, and re-engage in programming at a pace that supports emotional safety and therapeutic progress.
- **Designed for dignity and privacy.** Creating an environment where confidential conversations, behavioral support, and goal-specific strategies can be implemented with respect and care.
- **Expanding access to meaningful intervention.** These adaptable spaces allow us to better serve individuals with complex and diverse needs through responsive, client-centered care.

## Classroom – \$100,000

- **A space for growth, on and off the horse.** Supporting education, planning, and individualized progress tracking.
- **Technology meets tradition.** Providing tools for digital learning, goal setting, and measurable outcomes.
- **Privacy matters.** Creating a confidential environment for evaluations, meetings, and collaboration.

### **Greenhouse – \$100,000**

- **Where growth is both literal and personal.** Supporting skill development through hands-on horticultural therapy.
- **Bridging therapy with real-world application.** Reinforcing independence and responsibility through meaningful outcomes.

### **Occupational Life Skills Store – \$100,000**

- **Learning through experience.** A real-world environment that builds communication, teamwork, and workplace readiness.
- **Encouraging independence.** Providing structured opportunities for confidence, responsibility, and self-sufficiency.

### **Tack Rooms – \$100,000**

- **Protecting our tools of transformation.** Organized, well-maintained spaces that ensure equipment safety and longevity.
- **Preventing disruptions.** Supporting consistent, uninterrupted programming through reliable and accessible resources.

### **Volunteer Education Center – \$75,000**

- **A space for learning and leadership.** Dedicated to onboarding, training, and developing volunteers who are essential to the success of our programs.
- **Strengthening program quality.** Ensuring volunteers are equipped with the knowledge, confidence, and skills needed to safely support both riders and horses.
- **A welcoming place to grow.** Creating a supportive environment that fosters connection, purpose, and long-term engagement among our volunteer community.
- **Protecting the integrity of our sessions.** Allowing for ongoing education and training without interrupting active therapeutic programming.

### **Preventive Medicine Stall - \$75,000**

- **A space for proactive care.** Supporting preventative health practices that ensure our horses remain strong, responsive, and capable of meeting the needs of our riders.
- **Prioritizing equine wellness.** Allowing for early intervention, routine care, and recovery in a dedicated, thoughtfully designed environment.
- **Supporting safe and effective therapy.** Healthy, well-cared-for horses directly enhance the consistency and quality of every therapeutic experience.
- **Reinforcing our 3Q philosophy.** This investment strengthens our commitment to Quality Horses, Quality Programs, and Quality of Life.

## **Donation Station – \$50,000**

- **A space for organization and impact.** Designed to house and manage donated items in a way that preserves their quality and maximizes their value.
- **Elevating our fundraising efforts.** Providing a climate-controlled environment that ensures auction items and contributions remain in excellent condition and presentation-ready.
- **Maximizing every gift received.** Allowing for efficient storage, organization, and utilization of in-kind donations that directly support our mission.
- **Honoring generosity.** Reflecting the care and appreciation we have for every contribution made by our community.

## **Paddocks – \$50,000**

- **Happy, healthy horses = quality programs.** Expanding space for movement, rest, and natural behavior.
- **The best care possible.** Supporting individualized equine care and overall herd wellness.

## **Regulation Space (Zen Den) – \$50,000**

- **A space for calm and reset.** Intentionally designed to support emotional regulation, decompression, and sensory balance.
- **Encouraging continued progress.** Allowing clients to pause, regroup, and return to their goals with renewed focus and confidence.
- **A private space for support.** Offering a safe and quiet environment for reflection, conversation, and individualized therapeutic interaction.
- **Building lifelong skills.** Supporting the development of coping strategies, emotional awareness, and self-regulation techniques.

## **Offices – \$50,000**

- **Professional spaces for meaningful work.** Enhancing productivity, organization, and staff collaboration.
- **Confidentiality and care.** Supporting private conversations and thoughtful program development.

## **Stalls - \$25,000**

- **A home for our greatest assets: our horses.** Providing safe, comfortable environments that prioritize health and well-being.
- **An investment in our equine partners.** Supporting longevity, performance, and the foundation of our therapeutic programs.

## **Environmental Fixtures - \$25,000**

- **Designed with intention.** Thoughtfully placed elements that enhance both the beauty and functionality of our therapeutic environment.
- **Creating moments of connection.** Providing spaces for reflection, relaxation, and meaningful engagement throughout the property.
- **Supporting inclusive experiences.** Offering accessible opportunities for individuals of all abilities to interact with nature and their surroundings.
- **Elevating the overall environment.** Transforming our space into one that feels welcoming, restorative, and deeply aligned with our mission.
